REDESIGN PACKAGE

For existing proposals that need to be edited or redesigned to include updated information such as mission statements, goals, etc. to be distributed to current, established list of donors, sponsors or grant foundations. This package is tailored for businesses or organizations that request minimal market research for funding resources and are more interested in editorial revisions.

Package includes:

- Consultation
- Completed proposal with revisions
- 10 printed copies of proposal to distribute as needed

MARKET PACKAGE

Specialized grant writing package for businesses and organizations interested in creating a proposal to submit to various donors, sponsors or grant applications to receive funding. Industry research will be conducted to identify specific donors, sponsors or grant foundations to align funding request with stated needs. Package includes:

- Consultation
- Completed proposal with detailed goals and funding analysis
- Application submission to 25 grant foundations through dedicated research
- 20 printed copies of proposal to distribute as needed

PRICING DETAILS
